1. I'm alone and I am searching  
Hungering for answers in my time  
I am balanced at the brink of wisdom  
I'm impatient to receive a sign  
I move forward with my senses open  
Imperfection will be my crime  
In humility I will listen,  
We're all Swimming to the Other Side.

Chorus:

We are living 'neath the great Big Dipper  
We are washed by the very same rain  
We are swimming in the stream together  
Some in power and some in pain  
We can worship this ground we walk on  
Cherishing the beings that we live beside  
Loving spirits will live forever  
We're all Swimming to the Other Side.

2. On this journey through thoughts and feelings  
Binding intuition my head, my heart  
I am gathering the tools together  
I'm preparing to do my part  
All of those who have come before me  
Band together to be my guide  
Loving lessons I will follow  
We're all Swimming to the Other Side.

Chorus

3. When we get there we'll discover  
All of the gifts we've been given to share  
Have been with us since life's beginning and  
We never noticed they were there  
We can balance at the brink of wisdom  
Never recognizing that we've arrived  
Loving spirits will live forever  
We're all Swimming to the Other Side.

Chorus
